## 1. Disclaimer

Great care has been taken when selecting the content of this website. As a provider of this website, we assume no liability for completeness, accuracy, timeliness or reliability of the content. We provide information offered on the website for retrieval. For the usefulness of the content, we assume no liability. Content with named authors are those of the author, but not necessarily the opinion of the provider.

## 2. Intellectual Property Rights

The content of the website is the copyright of The Junction. Without our prior consent, we do not permit any duplication or use of objects such as diagrams, sounds or texts in other electronic or printed publications. Nevertheless, you may make quotes from this website on condition that you provide an explicit link to the full text and include the name of the original author were given. For private use, we allow you to make copies of the website content, for instance printing or storing in a storage medium. We expressly do not consider publication on the Internet as private use.

Should you quote from the website, you are obliged, in accordance with the terms of Creative Commons, to give appropriate credit, provide a link to the license, and indicate if changes were made. You may do so in any reasonable manner, but not in any way that suggests the licensor endorses you or your use. For further information, please refer to <http://creativecommons.org/licenses/by-sa/3.0/>.

Links to our website and sub-pages (so-called deep links) are possible at any time and without prior consent.

## 3. Prior notice of infringements

We do not reproach websites with which we compete, or which infringe our rights, without first pointing out the illegality, and giving the offending publisher the opportunity to remedy the situation. Similarly should we inadvertently infringe upon the legal rights of a third party, we request the same notice, without at first resorting to legal proceedings. We take great care with the legitimacy of our website. Any content

that may intrude on third party rights will be reviewed immediately and eliminated within a reasonable time.

#### **4. Privacy & Security**

The security of your data and the protection of your privacy is highly important to us. However, neither this website nor our server may be considered to constitute a high security system. In particular, we are unable to guarantee that information you send to us over an Internet connection might possibly be retrieved, intercepted or monitored.

We store the user behaviour on our website anonymously without personal data. The storage serves to analyze and improve our website. A disclosure of data to third parties for marketing purposes, in particular, does not take place.

#### **5. Referrals and Links**

The website contains links to third-party websites, so called external links. At the time of linking to the relevant website, it was checked by the author for consistency with Norwegian law. Any violations of the law were undetected. The linked sites are third-party content, for which we are not responsible and explicitly unable to review on a regular basis. Should we receive positive knowledge of illegal content on the linked websites, we will remove the links immediately. Furthermore, the author is not liable for any postings or messages published by users of discussion boards, guest books or mailing lists provided on his page.

#### **6. Google Analytics**

This website uses Google Analytics, a web analytics service provided by Google Inc. ("Google"). During the analysis, so-called IP masking is enabled. This implies that the last 8-bits of your IP address are suppressed thus personal assignment of the data is not possible. Google Analytics uses "cookies". These are essentially text files that are stored on your computer, to help analyze how users use the website. The information that Google's cookie collects about your use of the website (including your IP address), may be transferred to, and stored at, a destination outside the European Economic Area ("EEA"). Google will use this information to evaluate your use of the website, compiling reports on website activity for website operators and providing other information on the use of website and internet related services. Google may also transfer this information to third parties where this is required by law or where such third parties process the information on Google. You may deny the use of cookies by selecting the appropriate settings in your browser; however, we point out that you may not be able to use all features of this website in this case. By using this site, you agree to the processing of your data by Google in the manner described above and for the aforementioned purpose.

You can disable Google Analytics under the Add-on section of your Internet browser.
